The Riding Academy Littles wanted to thank you for continuing to provide the opportunity for them to participate in the traditional format. I talked to them about how much more time and effort goes into making this happen, and your passion for preserving history

They want you to know how much they appreciate it, even though they will only be the pit crew for a while yet, their time will come because of you. They will cheer on the TRA big girls for now.

Thank you so much again.

See you all soon!
